

## **INTERNATIONAL CONFERENCE ON AFGHAN WOMEN'S EDUCATION BALI, 8 DECEMBER 2022**

The governments of Indonesia and Qatar will co-host the International Conference on Afghan Women's Education (ICAWE) that will take place in Nusa Dua, Bali, **on 8 December 2022**. The Conference's main objective is to mobilize international support in promoting women's education in Afghanistan.

Education and empowerment of women play an essential role in promoting prosperity and fighting poverty. UNICEF estimates that the lack of access to secondary education in Afghanistan has reduced 2.5% of the country's GDP.

Given the various domestic challenges, international support is needed to advance the education and empowerment of Afghan women. The Conference invites 53 likeminded countries at the level of Ministers of Foreign Affairs and Ambassadors, 4 international organizations including UNAMA and OIC, prominent Afghan women activists and figures, international / national NGOs, philanthropists, private sectors, and higher education institutions.

The Conference will be an in-person event and will consist of 4 (four) segments as follows:

- a. Opening Segment: Remarks from the Minister of Foreign Affairs of the Republic of Indonesia and Assistant Minister of Foreign Affairs of the State of Qatar;
- b. Updates on Afghan women's education;
- c. Statements and pledges to the women's education in Afghanistan;
- d. Closing segment and a Joint Press Statement.

The expected outcome of the Conference is a declaration of support by participating entities towards women's education in Afghanistan. The conference encourages pledge of support by participating countries as well as private sectors and NGOs.

The Conference is a form of Indonesia's concrete contribution to promoting peace and development in Afghanistan. It is also a follow-up to the Letter of Intent (LOI) between Indonesia and Qatar on providing humanitarian and development assistance for the Afghan people signed in Doha on 26 March 2022.
